### Shrink Wrap & Winter Storage

#### Shrink Wrap

Shrink wrap is the best means of protecting your boat from the snow and ice during those long, cold, and windy winter months. It'll keep your boat warm when the sun shines and dry on even the worst of days.

<b>Conventional Boats</b> .....	<b>\$15/foot</b>
<b>Pontoon Boats</b> .....	<b>\$16/foot</b>
<b>Personal Water Craft</b> .....	<b>\$150.00</b>

\*Price includes Wrap & Framing, moisture absorber is extra

\*Quoted pricing may be adjusted based on actual measurements of boat at time of shrink wrapping

#### Outdoor Storage

Boats are stored at an outdoor storage facility and closely monitored to prevent excess snow build up on the shrink wrap.

<b>Winter, until May 31</b> .....	<b>\$195</b>
-----------------------------------	--------------

\*Price includes spring and engine start and run and shrink wrap disposal

\*\*All boats stored over the winter months require shrink wrap

#### Additional Services

<b>Battery Storage and Cycle Charging</b> .....	<b>\$20/battery</b>
<b>Livewell drain</b> .....	<b>\$15/Livewell</b>

**NOTE: Additional charges of \$10 per day will be charged for boats left in storage after May 31.**
